

# **HPC Back To School Challenge**

## **August 21, Greensboro, NC**

### **We're going to do what???**

This August, all middle school and high school youth are invited to join us as we take on UNCG's Ropes Course! We will be gathering on Saturday, August 21 at 9:30 a.m. to depart for UNCG. After a fabulous day of group challenges and climbing, we will return to Winston Salem by 5:30 p.m.

### **High Ropes? How High Are You Talking???**

We will be participating in both low and high ropes initiatives. The low ropes challenges are generally on (or very near) the ground and focused on team building and problem solving. We will be leaving the known safety of the ground for all of the high ropes elements but please, do not fear. All participants will be very carefully strapped into safety harnesses and monitored by people who are well trained in keeping us all safe! All high elements will also have a "challenge by choice" element to them, meaning you may sit out of any challenge if you would prefer.

### **Who can participate in this trip?**

This trip is open to all students who will be in 6th through 12th grade during the 2010 - 2011 school year. Adult advisors are needed, please call Jon at the church if you would like to join us.

### **How much does it cost to go and when must I register by?**

The fee for this adventure, including lunch, is only \$35 per person. The registration deadline for this trip is Thursday, August 6.
