Insights into Faith from the Wide, Wide World of Sports

Highland Presbyterian Men's Retreat March 31–April 2, 2017 in Montreat, NC

ABOUT THE EVENT: Come together with the Men of the Church for a Weekend of Faith, Fellowship, and Fun! If you are a "First Timer" or "Regular Attendee," you will have a great time and return home refreshed, with new or deepened friendships within the Men of the Church!

FRIDAY EVENING: Gather by 6 pm or so at Reynolds Lodge in Montreat, for social time, dinner, and an introduction to the weekend's events.

SATURDAY MORNING: Following breakfast, we will have group discussion and interaction, as we learn with and from one another.

SATURDAY AFTERNOON: You will have a choice between hiking, fishing, golf, time in Asheville or Black Mountain, or relaxing and enjoying the serene surroundings of Montreat and Reynolds Lodge.

SATURDAY EVENING: We will enjoy a gourmet meal followed by fellowship and social time. Bring your guitar, musical instruments, and favorite card or board game.

SUNDAY MORNING: We wrap up our discussions, celebrate Communion and return home, with new understandings of God's desire for and presence in our lives, and for our ministry in the world.

RETREAT COST: \$90.00

Please forward a check (payable to HPC) when you return this form to the church office. Scholarship funds are available if the cost of the Retreat may prohibit your attendance. Please contact one of Highland's pastors if you need scholarship assistance.

Sports play a large role in our culture, and while at times they can reveal the worst about who we are, they also have the power to play a formative, and transformative role in the lives of individuals, families, communities, and even nations. They can also give us insight into a life of faith.

Whether you are an athlete, a parent of a player, a couch-surfing sports nut, a fair-weather fan, someone who prefers the tailgate to the game, a one-school supporter, or something else altogether, you're invited to join with us as we reflect together on the intersection of sports and faith.

No athletic skills or knowledge required! Nor even a love of sports. All that is needed is a desire to gather in the mountains for this time of reflection, fellowship, and growth together.
